Campus Report

1. Complete and submit a Campus Report for each campus where a student who brought a firearm to school is enrolled. The LEA must submit a Campus Report for the campus of enrollment of any student who brings a firearm to any campus, even if the firearm is brought to a campus other than the student's campus of enrollment.

2. For each grade level served on the campus, indicate the unduplicated number of students who were involved in an incident involving a firearm. Any student found to have brought or possessed a firearm at school should be reported even if the expulsion is shortened or no penalty is imposed. If the same student is involved in more than one incident that involves bringing or possessing a firearm at school, report that student once with the most severe result for that student.
